

Miranda Aluminum has been producing the finest quality window and door products for over two decades, servicing the Canadian renovation market for over 25 years. Today Miranda is still one of Ontario's leading window and door manufacturers.

Miranda is a family business, built with hard work and built on traditional values. John Miranda, the founder of Miranda Aluminum started in a small shop in Toronto and has grown one customer at a time. Today, Miranda still remains and operates in family hands.

Miranda Aluminum has established a reputation for producing high quality windows at a competitive economical price, while giving special attention workmanship and detail.

At Miranda we offer a full range of vinyl and aluminum products designed to be durable, energy efficient and maintenance free. Your authorized Miranda contractor can help you choose the style that is best suited to your needs and budget.

Miranda's success in producing windows and doors for a quarter century is based on time proven methods. We use only top quality components and our hard working and innovative staff always make sure that our customers are satisfied for years to come.

Superior customer service and design innovation has helped Miranda to grow. Miranda Aluminum is the window and door company that our satisfied customers recommend to their friends.
